Congratulations on your excellent choice of furniture

Every piece of furniture at metercube is crafted with utmost care keeping design and safety as our top concern. Warranty details for metercube products are as follows:

Furniture made of wood comes with one-year warranty in case of any manufacturing defects. Sofas come with one-year warranty on the structure and cushions against any manufacturing defects. Normal usage or normal wear and tear is not covered under warranty. The cushions do get softer over time and will conform to the shape of the user, or the position the user sits in.

Mattresses: For applicable warranty terms and conditions for your metercube mattresses, please refer to the **“metercube warranty card”** you would have received along with your mattress at the time of purchase.

During warranty, metercube at its sole discretion, will repair or replace the defective component or replace the entire product if found to be defective in material or workmanship.

Fabric, PU coated fabric and leather, upon use will not be covered by the above warranty. Please refer to the **“care instructions”** to maximize the life of these materials.

The warranty does not cover damages due to improper handling of metercube products or wear & tear in the natural course of product usage. Any modifications or alterations made to metercube products post purchase, shall not be covered under the warranty.

You must have the original copy of the invoice with you to avail the benefits of the warranty.

To claim your warranty, call us on the store contact number provided on the invoice. Our staff will call back within 24 Hours to help in resolving the issue.
